Join us for **free** Nachos and fun activities for entire family.

Congratulations to our September Student of the Month Maggie Salazar!

Maggie is a quite and ambitious young lady with dreams of becoming an outstanding student at Mesa Alta Jr. High. She is a proven leader by demonstrating her academic ability by scoring high on the PARRC exam. She is quoted in the Albuquerque Journal stating "She did her best on the PARRC exam because it counted for the whole school and it would make the school look good."

In her spare time, Maggie likes to read fictional, science fiction books and listen to Alternative Rock Music. She enjoys spending time with her family and friends.

Maggie is a great example of a student and leader. Keep up the great work!
